**About the Project:** Beginning in September of 2008, local artist Ashley Cecil began weekly sessions with a group of Gilda's Club members to help them create a large painting of their own design that illustrated their experience with cancer. This project is funded by the Kentucky Arts Council.

**About Gilda's Club Louisville:** The mission of Gilda's Club Louisville is to create welcoming communities of free support for everyone living with cancer--men, women, teens and children--along with their families and friends. Our innovative program is an essential complement to medical care, providing networking and support groups, workshops, education and social activities. Gilda's Club Louisville is located at 633 Baxter Avenue. Please call (502) 583-0075 for more information.
